

Miller Park

Coordinates:

Location: Lisbon, Maine. Located on Rt. 196 at mouth of Sabattus River.

Owner: Town of Lisbon **Manager:** Town of Lisbon

Launch facilities:

Paved ramp to Sabattus River approximately 100 feet from confluence with Androscoggin. This site is 1 ¾ miles upriver from the Worumbo Dam in Lisbon Falls. There is no portage trail around the dam.

Miles to downstream access: 1 ¾ to dam but no formal access point.

Parking:

Paved parking for 11 vehicles and 10 vehicles with trailers.

Amenities:

Port-a-Potty

Kiosk

Benches

Picnic tables

Access to Papermill Trail (Bike/Ped) along Sabattus River, and Lisbon's developing Androscoggin River Trail, a bike/ped pathway to Lisbon Falls downtown.

Water Conditions:

Light to moderate current. The river becomes wide, but the shoreline remains undeveloped.

General Comments

Eateries and stores in Lisbon Center and Lisbon Falls as well as along Rt 196 between the two. Nearby Beaver Park offers trails and swimming opportunities. There is a nice bike/pedestrian (paper-mill trail) trail running from Miller Park along the Sabattus River. See town web site for more information.
